PANASONIC KX-NT551 IP TELEPHONE

The Panasonic KX-NT550 IP telephone series delivers the most advanced IP phone from Panasonic with full duplex headset and speakerphones, dual gigabit ports and excellent sound quality through the enhanced echo cancellation and expanded acoustic chamber features. The result is more advanced, productive voice communication with an “in person” impression.

These executive phones have a sleek, ultra-modern design with self-labeling and large graphic displays. Each model, the KX-NT556, KX-NT553 and KX-NT551 comes with an Electronic Hook Switch built-in which allows a range of wireless headsets to be used.

Industry-leading 2-year Warranty with US-based customer support

Making sure your business communication system stays up and running is a top priority. Provided with each model is a standard 2-year warranty, along with dedicated US-based customer support at our Virginia-based call center.
