KX-TCA364
FEATURE SHEET

The KX-TCA364 DECT Handset - Perfect for Tough Environments!

The Panasonic KX-TCA364 tough type DECT is an ergonomically designed, easy to use, extremely durable and cost-effective enterprise wireless phone that is designed to meet and exceed the demands of harsh workplace environments. The robust, ruggedised handset is IP64 compliant, meaning that it is dust tight and protected against splashing water.

With its ruggedised design and access to full enterprise PBX functionality, the TCA364 wireless DECT is ideal for working in potentially challenging environments such as industrial, manufacturing, healthcare, retail and warehousing markets.

The Panasonic KX-TCA364 DECT Phone - Wireless Mobility for the tough environments.

KX-TCA364 in Charger

Full Access to PBX Enterprise Features

Fully Integrated with enterprise telephony features like Multi-line, Dial by name, etc.
Flexible CO Keys let you register PBX features and handset functions for quick, convenient access.

Illuminated Keypad

For easier operation in low lighting, the new enhanced keypad lights up when a call comes in or when you touch any key.

Seamless Connection – Automatic Hand-Over

There is no change in the connection quality as you walk around, moving from one cell station area to the next while continuing with important business conversation.

Blue LCD Backlight

Whenever you get a call or touch a key, the LCD lights up in cool blue background colour letting you see who is calling and easily operate the phone even in the dark.

200-Station Phonebook

The built-in telephone directory lets you store 200 names and numbers

Incoming Call Indication by Vibration

KX-TCA364 has a built-in Vibrate feature that ensures you never miss an incoming call, even in a noisy work environment.

Ruggedised IP64 Compliant DECT

Tough-type handset is specially designed for rugged environments. The TCA364 wireless DECT phone is IP64 rated (dust tight and protected against splashing water) and designed for any business demanding harsh work environment.

Hands-Free Conversation

Plug in the optional headset and enjoy the ease and unrestricted freedom of hands-free communication.
With the optional headset, you can answer incoming calls keeping your hands free to continue with any task at hand.

Note.
IP6* = Dust proof (Protection from dust: Dust-tight No ingress of dust)
IP*4 = Water resistance (Protection against splashing water)
